

Acknowledgements

The Tabbin Institute for Metallurgical Studies (TIMS) and its affiliated Environment and Research Center (E2RC) wish to express their deep gratitude and thanks to all Ministries, Organizations, Authorities, Committee and Individuals, who helped in the present work-Egypt's Strategy Study (ESS) on the Clean Development Mechanism (CDM).

Authors express their appreciation to his Excellency the State Minister of Environmental Affairs and the Chief Executive Officer (CEO) & the members of Egyptian Environmental Affairs Agency (EEAA) who offered to them a great support and supplied them with the necessary material and valuable information needed.

Great thanks and gratitude to the following members of the Steering Committee (SC) and the Technical Advisory Group (TAG) for taking their time to read and provide valuable comments on the reports, directing the project as well as their positive guidance:

SC Members

- Dr. Ibrahim Abdel-Gelil – Former CEO, EEAA.
- Dr. Mostafa Kamal Tolba – Head, International Center for Environment & Development (ICED).
- Eng. Osama Nour El-Din – Ministry of Petroleum (MOP).
- Eng. Sherif Abu El-Nasr – Executive Director, New and Renewable Energy Authority (NREA).
- Eng. Aly Fawzy – Head, Central Department, General Organization For Industrialization (GOFI).
- Mr. Moataz A. Khalil – Ministry of Foreign Affairs.
- Eng. Mohamed Arafa – Head, Railway Organization.
- Eng. Ayat Soliman – World Bank (WB) Representative in Cairo.
- Mr. Peter Nelson (Mrs. Livia Leu Agosti) – Embassy of Switzerland in Cairo.

TAG Members

- Dr. Emad El-Sharkawi – Chairman of ENC-WEC, Ministry of Electricity & Energy (MEE).
- Dr. Essam El-Henawi – National Research Center (NRC).
- Dr. Salah Arafa – American University in Cairo (AUC).

The Authors would like to thank the Swiss Government for the technical assistance and funding of the project, Dr. Sherif Arif and his colleagues in the World Bank for their support and valuable help during the course of the project, and Dr. Juerg Fuessler and his colleagues in EBP that assisted the Egyptian team in the preparation of this study:

- Dr. Guido Beltrani
- Eng. Markus Sommerhalder
- Dr. Andreas Zysset
- Dr. Hubertus Schmidtke (Silvaconsult Ltd.)

The report was prepared by the following Egyptian team leaders and consultants:

• Prof. Dr. Mohamed Kamel Elewa	TIMS, Head of Industrial Engineering Department	Project Coordinator (PC)
• Prof. Dr. Yosry Barakat	TIMS, Head of Corrosion Specialization	Task Leader Chapter 1
• Prof. Dr. M.S. EL-Sobki	Managing Director of Electricity Regulatory Agency (ERA)	Task Leader Chapter 2
- Eng. Sayed M. Emam	MEE	Chapter 2
- Eng. Ihab Shalan	Consultant	Chapter 2
• Dr. Essam Khalifa	Managing Director of National Fund Management Company (NFMC)	Task Leader Chapter 3
- Mr. Ahmed Mahmoud	NFMC	Chapter 3
- Mr. El-Sayed Ahmed	NFMC	Chapter 3
• Dr. Alaa Sarhan	Associate Prof. Institute for Environmental Studies (IES), Ain Shams University	Task Leader Chapter 4
- Mr. Mohamed Abdel Raouf	IES	Chapter 4
• Prof. Dr. Ahmed Amin	Director, TIMS	Task Leader Chapter 5
- Dr. Bahaa Mansour	TIMS	Chapter 5
• Prof. Dr. Attia Saad El-Dien	Head, Chemical Eng. Dept & Executive Director of E2RC	Task Leader Chapter 6
- Eng. Samir Tawfik	Head, River Transport Authority (RTA)	Chapter 6
-Prof. Dr. Mahmoud Nasrallah	NRC	Chapter 6
-Prof. Dr. El-Sayed Khater	NRC & FEI	Chapter 6
-Eng. Nabil Ismail	TIMS	Chapter 6
-Eng. Rafik Y. Georgy	NREA	Chapter 6
-Eng. Hassan Gomaa	NREA	Chapter 6
-Dr. Abdel Wahab Barakat	GAZTEC	Chapter 6
-Eng. Ihab El-Masry	Consultant	Chapter 6
• Prof. Dr. Talat Omran	Faculty of Agriculture, Alex. University	Task Leader Sections on LULUCF
-Prof. Dr. Megahed Mabrouk Megahed	Faculty of Agriculture, Alex. University	Sections on LULUCF

This report was prepared under the supervision with Mr. Sherif Arif (Regional Environmental Coordinator in MNSRE, and CDM Task Team Leader) and Mr. Hocine Chalal (Senior Environmental Specialist) and in collaboration with a joint Egyptian-Swiss team from the Tabbin Institute for Metallurgical Studies (TIMS) and Ernst Basler + Partners Ltd. (EBP) under the leadership of Dr. Ahmed Amin (TIMS), and Dr. Juerg Fuessler (EBP). The report was peer reviewed by Mr. Peter Kalas (Manager, National

Strategic Studies in ESSD) and Mr. Charles Feinstein (Lead Energy Specialist, LAC) and financed by the Swiss Agency for Development and Cooperation. The MNA VP is Mr. Jean Louis Sarbib, the Sector Director for Water, Environment, Rural and Social Development is Mrs. Letitia Obeng. The Sector Manager for Water and Environment is Mr. Salah Darghouth.

Special thanks go to Eng. Ahmed Abd-Rabou, the former coordinator from EEAA and to Dr. Zeinab Fargaly the former member of EEAA for their valuable effort during the whole period of the project.

The Authors thank TIMS and E2RC administrative personnel for their help to the project coordinator and to the task leaders, without which there was no hope to complete the study and with a high degree of quality.

Finally, it is impossible to mention here by name all individuals who helped the authors during the project time, to all of them thank you, we appreciate your help.
